

Visa Purchase Alerts Link

Now offering email Visa Purchase Alerts. You can now sign up to receive an email whenever you use your Fieldstone Visa Credit or Visa Debit cards for a purchase. Enrolling in Visa Purchase alerts has several benefits.

Security – Keep your account secure by getting alerts for transactions in real time and immediately identify potential fraudulent activity

Control – Take an active role by tracking your spending and stay on top of your balances

Convenience - Set up any of your cards through one link.

To get started just click on the link below and follow the three steps to enroll.

Cardholder Information

- Check the eligibility of your card by entering the first nine digits on your card. If the card is eligible you will need to create an account.
- Then it will ask you to register your email address. During the registration of your email address a verification email with a code will be sent to you. That code needs to be entered to confirm the email address. All card information will then need to be entered and you will agree to the terms and condition.
- You can then choose the alerts they would like to enroll in; options include international purchases, purchases reaching an amount threshold, purchases made on the internet and whether you want both an email and text if your credit union has enrolled in both.
- **Note: Fieldstone Credit Union is only registered for email alerts**
